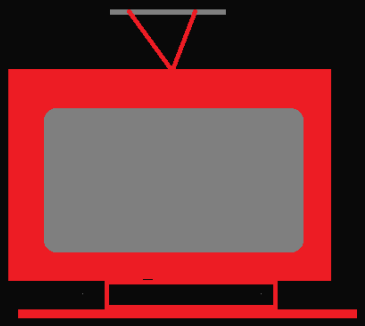
Internet Safety

It is vital to remember to stay safe online when posting and chatting to people in online games or social media. If you feel sad or uncomfortable by looking at something , tell an adult.

STAY SAFE ONLINE

Be aware that when chatting with people it can be dangerous. Because people that say who they are might not be who they say they are.

Remember never to send any personal information to anyone . Also remember to tell an adult before going online.



DON'T TELL ANYONE PERSONAL INFORMATION!!!!!!
