What does your app do?

- My game is called Guess the chocolate bar.
- There is going to be a chocolate bar .
- You have to guess the name of the chocolate in 5 seconds or less.
- The chocolate bar is not going to be in its wrapper.
- It is going to be broken in half.

Phone screen with buttons

Levels: When you have completed level 1 you have to move up a level and when you have completed all 10 levels you win coins.

Start: When you press start it will give a countdown from 10 and then the game will start.

Help: If you don't know how to play the game press help and the instructions will appear on the screen.

Multiplayer: If you want to vs your family or your friends press multiplayer and your game with another person will start.

Help!!!

- The help button is very important because if you need help on any thing look no further as the help button will help you.
- If you don't know what to do press help and all your worries will go and it will tell you what to do wherever you are.

LEVELS!!!

- The level button is important because when you press level the first level will appear and all the other levels would be locked. You have to play 10 games to move up a level. There are 10 levels and after that you will get coins so you can dress your character that is going to guess the chocolate bar. the easy thing is the chocolate will be broken in half so you can quickly move up levels.

Start!!!

- The start button is the button you need the most. When you press start a chocolate bar will appear and there will be a count down from 10. There will be a countdown that will be from 10 but in the corner there would be a box and when you press it the screen will show you how much money you have.

Why you should download this app!!!

You should download this app because it is a fun learning game for little kids age 4-11.

Did you know when you buy this game you would receive 1000 coins and you can spend your money to decorate your character? This app is very easy but as you go up a level it gets harder and harder. Also it is free so you don't have to pay for it. Even though it is easy its still fun!!! Have you ever seen a game like this before? This game is fun, easy and challenging. If you ever come across this game don't hustle and buy it.

DON'T DELAY AND PLAY TODAY!

A decorative graphic featuring a white background with a gray border. The border is composed of diagonal lines in the corners and solid lines on the top, bottom, and sides. There are ten gray stars: five in the top row, one to the right of the word 'BEST', and four in the bottom row. The text is centered and reads:
